

HEALTH & SAFETY POLICY STATEMENT

Advanced Building Contractors Ltd. is committed, so far as is reasonably practicable, to safeguarding the Health and Safety of its employees, of others who carry out work on its behalf and of those, including the public who may be affected by its work.

The Company also recognises the vital importance of discharging all its statutory obligations and placing Health and Safety as an over-riding priority above all other business objectives.

Advanced Building Contractors Ltd. recognises that the minimum acceptable Health and Safety standards are those required by relevant legislation. Through a process of self-improvement, we will not only meet all such standards but, where possible, exceed them thus placing our organisation at the forefront of best practice and enabling us to influence others accordingly.

The Managing Director has overall responsibility for all Health and Safety issues within the Company and fully endorses the above statement and will ensure sufficient resources are available to provide information, instruction, training and supervision to employees and others as is necessary to implement and maintain high standards of health and safety. In accordance with the Health and Safety Policy a documented safety management system will be devised and implemented, monitored, and reviewed. In addition to our internal in-house H&S Department, HS Direct Ltd have been appointed to assist the company discharge its H&S obligations.

Advanced Building Contractors Ltd. has set the following key objectives: -

- Commitment to Health and Safety at all levels of the Company
- Clear Health and Safety objectives
- Competent and trained personnel
- Effective work planning and safe systems of work
- Positive implementation in the workplace
- Continual monitoring of performance and reviewing procedures

All Advanced Building Contractors Ltd. employees are likewise required to demonstrate their support and commitment in achieving these objectives and to comply with the detailed requirements of our Health and Safety Management System.

A copy of this statement will be issued to each employee and will also be displayed in a prominent position at each Company location and site.

This policy will be regularly monitored to ensure that the objectives are achieved. It will be reviewed annually, and if necessary, revised in the light of legislative or organisational changes.
